

## Terms for providing "content toppings (Japan SIM)"

KDDI Corporation and Okinawa Cellular Telephone Company (hereinafter collectively referred to as "the company") will provide the following content toppings on the povo2.0 service as prescribed in the povo2.0 Communication Service Contract Terms and Conditions. The official text of this Agreement is in Japanese, and any translations into other languages are for reference purposes only. In the event of any discrepancy between the Japanese version and any translated version of this Agreement, the Japanese version shall take precedence.

### 1. Overview

Customers subscribed to the povo2.0 "Base Plan (Japan SIM)" can use content toppings, which includes data communication and unlimited communication for specific content.

### 2. Terms of Service Provision

#### (1) Basic Information about content toppings

The following toppings can be purchased through Meta service apps, etc. (referring to Facebook, Instagram; hereafter referred to collectively as Meta)

Content topping category	Usage Fees	Description	Effective Period
Data Free Meta (3 days) + Data Top-up 1GB (3 days)	328 yen/session without tax (360 yen/session including tax)*2	Unlimited Data when using Meta*1 and 1GB of data communication	3 days
Data Free Meta (3 days) + Data Top-up 3GB (3 days)	655 yen/session without tax (720 yen/session including tax)*3	Unlimited Data when using Meta*1 and 3GB of data communication	3 days
Data Free Meta (5 days) + Data Top-up 5GB (5 days)	982 yen/session without tax (1,080 yen/session including tax)*4	Unlimited Data when using Meta*1 and 5GB of data communication	5 days
Data Free Meta (7 days) + Data Top-up 10GB (7 days)	1,491 yen/session without tax (1,640 yen/session including tax)*5	Unlimited Data when using Meta*1 and 10GB of data communication	7 days
Data Free Meta (15 days) + Data Top-up 10GB (15 days)	1,800 yen/session without tax (1,980 yen/session including tax)*6	Unlimited Data when using Meta*1 and 10GB of data communication	15 days
Data Free Meta (30 days) + Data Top-up 20GB (30 days)	2,719 yen/session without tax (2,990 yen/session including tax)*7	Unlimited Data when using Meta*1 and 20GB of data communication	30 days

\*1 For details on the method of determining the communication subject to unlimited use and the constraints, please refer to (2)②.

\*2 "Data Free Meta (3 days) + Data Top-up 1 GB (3 days)" includes Data Free Meta (3 days), which provides unlimited communication when using Meta. The details of Data Free Meta

(3 days) are as prescribed in the terms in this document, and website of the company.

- \*3 "Data Free Meta (3 days) + Data Top-up 3GB (3 days)" includes Data Free Meta (3 days), which provides unlimited communication when using Meta. The details of Data Free Meta (3 days) are as prescribed in the terms in this document, and website of the company.
- \*4 "Data Free Meta (5 days) + Data Top-up 5GB (5 days)" includes Data Free Meta (5 days), which provides unlimited communication when using Meta. The details of Data Free Meta (5 days) are as prescribed in the terms in this document, and website of the company.
- \*5 "Data Free Meta (7 days) + Data Top-up 10GB (7 days)" includes Data Free Meta (7 days), which provides unlimited communication when using Meta. The details of Data Free Meta (7 days) are as prescribed in the terms in this document, and website of the company.
- \*6 "Data Free Meta (15 days) + Data Top-up 10GB (15 days)" includes Data Free Meta (15 days), which provides unlimited communication when using Meta. The details of Data Free Meta (15 days) are as prescribed in the terms in this document, and website of the company.
- \*7 "Data Free Meta (30 days) + Data Top-up 20GB (30 days)" includes Data Free Meta (30 days), which provides unlimited communication when using Meta. The details of Data Free Meta (30 days) are as prescribed in the terms in this document, and website of the company.

## (2) Important matters

### ① Application and abolition of the toppings

[Universal]

- Toppings purchased through Meta service app, etc. will start to apply as soon as the purchase procedure is completed.
- Usage fee will be paid at every purchase (not monthly) using a payment method the company specifies that is registered on your povo2.0.
- The usage period will elapse regardless of whether the procedure for starting the use of the content ① is completed.
- If your povo2.0 contract is canceled, the topping will stop.
- Even after the Effective Period has elapsed, it may be possible to use the content for a certain period, but the communication of the content will not be unlimited.
- Cancellation is not accepted once the purchase procedure is completed.
- The data topping that started with the registration of a promo code, etc., will apply the consumption order as a data bonus prescribed in the "Base Plan (Japan SIM)" Terms of Service Provision.

[Data Free Meta (3 days) + Data Top-up 1GB (3 days)]

- Even if this topping is no longer applied, no new purchases of this topping, Data Free Meta (3 days) + Data Top-up 3GB (3 days), Data Free Meta (5 days) + Data Top-up 5GB (5 days), Data Free Meta (7 days) + Data Top-up 10GB (7 days), Data Free Meta (15 days) + Data Top-

up 10GB (15 days), and Data Free Meta (30 days) + Data Top-up 20GB (30 days) can be made until the effective period ends.

This topping can not be purchased if other toppings with unlimited data that include Meta service as eligible content is applied.

- Regarding Data Free Meta (3 days)
- Until the effective period ends, communication for the eligible content will be available without the Base Plan's (Japan SIM) speed limit of 128 kbps applying, or spending any previously purchased data, regardless of the amount of data transmitted.
- The effective period will last until the time 3 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.

- Regarding Data Top-up 1GB (3 days)
- This topping will be applied upon activation.
- The effective period will last until 3 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.
- However for the time being, you will be able to use communication until the end of the last day of your effective period without the Base Plan's (Japan SIM) speed limit of 128 kbps applying until you use up the entire data allowance you purchased.

[Data Free Meta (3 days) + Data Top-up 3GB (3 days)]

- Even if this topping is no longer applied, no new purchases of this topping, Data Free Meta (3 days) + Data Top-up 1GB (3 days), Data Free Meta (5 days) + Data Top-up 5GB (5 days), Data Free Meta (7 days) + Data Top-up 10GB (7 days), Data Free Meta (15 days) + Data Top-up 10GB (15 days), and Data Free Meta (30 days) + Data Top-up 20GB (30 days) can be made until the effective period ends.

This topping can not be purchased if other toppings with unlimited data that include Meta service as eligible content is applied.

- Regarding Data Free Meta (3 days)
- Until the effective period ends, communication for the eligible content will be available without the Base Plan's (Japan SIM) speed limit of 128 kbps applying, or spending any previously purchased data, regardless of the amount of data transmitted.
- The effective period will last until the time 3 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.

- Regarding Data Top-up 3GB (3 days)
- This topping will be applied upon activation.

- The effective period will last until 3 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.
- However for the time being, you will be able to use communication until the end of the last day of your effective period without the Base Plan's (Japan SIM) speed limit of 128 kbps applying until you use up the entire data allowance you purchased.

[Data Free Meta (5 days) + Data Top-up 5GB (5 days)]

- Even if this topping is no longer applied, no new purchases of this topping, Data Free Meta (3 days) + Data Top-up 1GB (3 days), Data Free Meta (3 days) + Data Top-up 3GB (3 days), Data Free Meta (7 days) + Data Top-up 10GB (7 days), Data Free Meta (15 days) + Data Top-up 10GB (15 days), and Data Free Meta (30 days) + Data Top-up 20GB (30 days) can be made until the effective period ends.

This topping can not be purchased if other toppings with unlimited data that include Meta service as eligible content is applied.

- Regarding Data Free Meta (5 days)
- Until the effective period ends, communication for the eligible content will be available without the Base Plan's (Japan SIM) speed limit of 128 kbps applying, or spending any previously purchased data, regardless of the amount of data transmitted.
- The effective period will last until the time 5 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.

- Regarding Data Top-up 5GB (5 days)
- This topping will be applied upon activation.
- The effective period will last until 5 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.
- However for the time being, you will be able to use communication until the end of the last day of your effective period without the Base Plan's (Japan SIM) speed limit of 128 kbps applying until you use up the entire data allowance you purchased.

[Data Free Meta (7 days) + Data Top-up 10GB (7 days)]

- Even if this topping is no longer applied, no new purchases of this topping, Data Free Meta (3 days) + Data Top-up 1GB (3 days), Data Free Meta (3 days) + Data Top-up 3GB (3 days), Data Free Meta (5 days) + Data Top-up 5GB (5 days), Data Free Meta (15 days) + Data Top-up 10GB (15 days), and Data Free Meta (30 days) + Data Top-up 20GB (30 days) can be made until the effective period ends.

This topping can not be purchased if other toppings with unlimited data that include Meta service as eligible content is applied.

- Regarding Data Free Meta (7 days)
- Until the effective period ends, communication for the eligible content will be available without the Base Plan's (Japan SIM) speed limit of 128 kbps applying, or spending any previously purchased data, regardless of the amount of data transmitted.
- The effective period will last until the time 7 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.

- Regarding Data Top-up 10GB (7 days)
- This topping will be applied upon activation.
- The effective period will last until 7 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.
- However for the time being, you will be able to use communication until the end of the last day of your effective period without the Base Plan's (Japan SIM) speed limit of 128 kbps applying until you use up the entire data allowance you purchased.

[Data Free Meta (15 days) + Data Top-up 10GB (15 days)]

- Even if this topping is no longer applied, no new purchases of this topping, Data Free Meta (3 days) + Data Top-up 1GB (3 days), Data Free Meta (3 days) + Data Top-up 3GB (3 days), Data Free Meta (5 days) + Data Top-up 5GB (5 days), Data Free Meta (7 days) + Data Top-up 10GB (7 days), and Data Free Meta (30 days) + Data Top-up 20GB (30 days) can be made until the effective period ends.

This topping can not be purchased if other toppings with unlimited data that include Meta service as eligible content is applied.

- Regarding Data Free Meta (15 days)
- Until the effective period ends, communication for the eligible content will be available without the Base Plan's (Japan SIM) speed limit of 128 kbps applying, or spending any previously purchased data, regardless of the amount of data transmitted.
- The effective period will last until the time 15 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.

- Regarding Data Top-up 10GB (15 days)
- This topping will be applied upon activation.
- The effective period will last until 15 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.
- However for the time being, you will be able to use communication until the end of the last day of your effective period without the Base Plan's (Japan SIM) speed limit of 128 kbps

applying until you use up the entire data allowance you purchased.

[Data Free Meta (30 days) + Data Top-up 20GB (30 days)]

•Even if this topping is no longer applied, no new purchases of this topping, Data Free Meta (3 days) + Data Top-up 1GB (3 days), Data Free Meta (3 days) + Data Top-up 3GB (3 days), Data Free Meta (5 days) + Data Top-up 5GB (5 days), Data Free Meta (7 days) + Data Top-up 10GB (7 days), and Data Free Meta (15 days) + Data Top-up 10GB (15 days) can be made until the effective period ends.

This topping can not be purchased if other toppings with unlimited data that include Meta service as eligible content is applied.

•Regarding Data Free Meta (30 days)

•Until the effective period ends, communication for the eligible content will be available without the Base Plan's (Japan SIM) speed limit of 128 kbps applying, or spending any previously purchased data, regardless of the amount of data transmitted.

•The effective period will last until the time 30 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.

•Regarding Data Top-up 20GB (30 days)

•This topping will be applied upon activation.

•The effective period will last until 30 days have passed since the topping was applied, counting 24 hours from the time the topping starts to apply as one day.

•However for the time being, you will be able to use communication until the end of the last day of your effective period without the Base Plan's (Japan SIM) speed limit of 128 kbps applying until you use up the entire data allowance you purchased.

②Condition of communication which Unlimited Data will be applied

•Communication identified as usage on eligible content of Meta with the "Controlling communication to provide service (communication identifying feature)" will be eligible for the unlimited data from each content topping.

•Communication through VPN (Virtual Private Network), communication to content or advertisements provided by parties other than the company providing the eligible content via applications and websites provided by the company providing the eligible content, proxy servers, iCloud Private Relay, or external links from eligible content will not be subject to unlimited data usage. In addition, communication that cannot be identified as using eligible content due to changes in identifiers from updates to software, content, networks, etc., will not be subject to unlimited usage.

•If these unlimited services become unidentifiable due to updates to software, content,

networks, etc., data usage may be added.

③Communication speed limit

Communication speed will be limited during periods of network congestion if you use large amounts of data in a short period.

■ Acquisition and Handling of Usage Information and Personal Information

①Data Acquisition and Usage

•The Company and its subcontractors, KDDI Digital Life Corporation and Circles Asia Pte. Ltd., may acquire and use data within the necessary scope for the following purposes. The Company may use the acquired data within the scope of the purposes specified in this section even after various contracts with customers have ended.

Purpose of Use	Data Acquired and Used
<ul style="list-style-type: none"><li>•Campaign Operation</li><li>•Provision of unlimited Data</li><li>• Provision of Optimized Services to Customers</li><li>• Confirmation and improvement of the usage of the Service</li><li>• Provision to third parties for use in determining future service prices and setting communication speeds</li></ul>	Data usage of customers purchasing Data topping during the campaign period (Data traffic, etc.) *
<ul style="list-style-type: none"><li>•Confirmation of the usage status of this service, implementation of surveys on the usage environment, etc., and other use for market research, data analysis, marketing activities, etc.</li><li>• Improvement of the Service, improvement of quality, development of new services, implementation of campaign measures related to the Service, response to inquiries and questions regarding the Service, etc.</li></ul>	Contract information (name, telephone number, date of birth, e-mail address, etc.)

\* Messages and other communication contents will not be viewed.

②Handling of Personal Information

•Information about data usage obtained in connection with Data Free Meta toppings will be provided to Meta Platforms, Inc. in the form of statistical information (average weekly data traffic, average monthly data traffic, etc.). Meta Platforms, Inc. uses statistical information to administer the Promotion, improve the use of services, and otherwise provide you with a tailored service.

•Customers of Content Topping purchasing may mutually disclose and inquire about the contract information of the customers and the contract information of the unlimited service between the Company and the provider of the unlimited use service (Meta Platforms, Inc.).

#### ■ About these terms of service provision

- We may update the terms in this document. In such cases, fees and other terms of service provision will be as prescribed in the terms after the update.
- Any case falling under the Regulation for Enforcement of the Article 22-(2)-3-2-1 of the Telecommunications Business Act (Order of the Ministry of Posts and Telecommunications, 1985, Act No. 25) in which we update the terms of service provision by filing an application, we will release the details on our webpage in advance instead of notifying and providing an explanation to individual customers.
- Terms of service provision (including the povo2.0 Communication Service Contract Terms and Conditions, our other various terms of service, the povo Global Privacy Policy rules, etc.) will apply to matters not prescribed in this Terms of Service Provision. Details such as terms of service are available on our webpage.

#### ■ Update history

First edition created on April 25, 2025

(Toppings via Meta (Facebook or Instagram,) service apps will be available on April 25, 2025 at 01:00:00 PM)
